Spicy Annual General Meeting

It is that time of year; we've all caught our breath from the holiday buzz and are now remembering to write 2009 not 2008.

It's time for the CCW Annual General Meeting. We have sourced out a great venue, the Banana Leaf restaurant with some spicy heat to keep you warm. In addition to the usual AGM stuff, which we promise to keep brief, we will also be formally presenting the Standard Lumber Bursary to this year's recipients.

Come join us. This is also your opportunity to get involved. Volunteer to be on the board, offer your suggestions and input into what you would like to see from the CCW.

Members \$35 * Non-Members \$50 *

\$5000 GRANTS FOR WOMEN IN CONSTRUCTION AWARDED

Shelley Neil presents award to Christine Fenn

The Canadian Construction Women Association (CCW) along with our sponsor Standard Building Supplies is pleased to announce the 2008 recipients of \$5000 each for the purpose of advancing their careers in construction. Sherri Marino is a second year carpenter apprentice working for PCL Constructors Westcoast Inc. in Vernon, BC and Christine Fenn is a second year apprentice with Olsen Electric in Gibson's, BC. Both women plan to become journeypersons in their field and will use the award to ease the financial burden of travel and apprenticeship training.
